Grace represents the favours China owes to one ruler, and can be both gained and lost in different ways. The Grace a ruler has is effective only with the ruling dynasty of China. Should a usurper or an invader take the Dragon Throne, all rulers will lose their Grace and have to start over again building good relations.

The Grace of Kings, hands down, has the greatest depiction of war i have ever read. Ken Liu is a genius at crafting war strategies, which are incredibly intricate and complex from every possible direction. The large scale battles are insane and seeing these different strategies play out is so intense.
